

Yamaha NS-IC800 Speakers

Mfr. Part #: NSIC800 Our Part #: YAMNSIC800

A 8" coaxial ceiling speaker with cone woofer, fluid-cooled soft-dome swivel tweeter, 140W power handling, horn-shaped acoustic baffle and thin, light grille.

- Blue PP mica cone woofer
- Fluid-cooled soft-dome swivel tweeter
- 140W high power handling capacity
- Horn-shaped acoustic baffle with spiral pattern produces a clean and natural sound
- Thin grille with slim edge becomes almost invisible after installation
- Protective plastic cover on the back
- Light grill with magnetic catch is easy to attach and remove for spray painting and cleaning
- Large dog-eared clamp with non-slip tread for sure installation

High Sound Quality

Yamaha's policy of always putting sound quality first, combined with decades of experience in producing fine speakers, ensures that the sound of these speakers is superior to that of many other in-ceiling speakers.

- Moisture resistant 8" blue PP (polypropylene) mica cone woofer for high performance mid-low sound reproduction
- 1" fluid-cooled soft-dome swivel tweeter delivers pure high frequency with precise sound positioning

Unique Design

Grain-finished acoustic baffle with spiral pattern for natural sound dispersion

Sealed back cover to protect speaker and crossover from dust and moisture

Quick and Easy Installation

- Paintable grille with magnets for quick and easy installation
- Large mounting clamp with non-slip tread for sure grip

Specifications

Type	2-way coaxial
Woofers	8" (20 cm) PP (polypropylene) mica cone
Tweeter	1" (2.5 cm) fluid-cooled soft dome, coaxial, swivel
Frequency Response	50 Hz – 28 kHz
Maximum Input Power	140 W
Sensitivity	90 dB
Impedance	8 ohms
Dimensions (W x H x D)	Φ11-1/8" x 4-3/4"; Φ283 x 120 mm
Mounting Depth	4-1/4" (109 mm)
Weight	4.2 lbs. (1.9 kg)

General specifications

I/O connectors	Push Terminal (Applicable Cable *Max, Twisted wire : 8mm ² / AWG 8)
